This software was introduced by TMSOFT, a firm functioning since 2008 and is not specialized in Blackjack, not even gambling.

This allows you to practice card counting while it adapts to the user.

The running count gets high as more low cards have been dealt than high cards, meaning on balance there are more high cards remaining in the shoe.

These charts will differ depending on the blackjack house rules applying, which do differ from casino to casino.

Amazon Shopper Panel review

Amazon Shopper Panel is a receipt scanning app that pays you for sending in photos of your receipts. Already popular in the USA, it was finally launched in the

UK in March 2022.

So, as I just mentioned, Amazon will pay \$ for 10 receipts... and that's

it. You can't earn more than \$ from receipts in a month, which is equal to \$60 per year.

Can you earn just Amazon vouchers?

What kind of receipts does Amazon accept?
